

## BE POSITIVE ABOUT BEING SMOKE-FREE.

These *free* 4-color signs are a simple and easy way to let everyone know that your business or home is smoke-free. And since eight out of every ten adults in Colorado are nonsmokers, getting the word out isn't such a bad idea.

**To order free signs for your business or home, call 303-444-9799 or go online at [gaspforair.org](http://gaspforair.org).**
